- Fee: \$40 for non-members, \$30 for members of USTA (discount applied at checkout if logged in as a member)
- Flex League matches are not included in NTRP (rating) calculations.
- Players are expected to be responsible for communicating with each other and to the best of their ability, to complete the majority of their matches during the season.
- [Flex League Local Rules](#) are to be followed as well as the principles of The Code of Tennis.
